Gold Coast tram map

The G:link line and its 27 stations, Helensvale to Burleigh Heads

GOLD COAST TRAM
Independent guide to the Gold Coast tram

1 G:link · Helensvale – Burleigh Heads

Drawn by goldcoasttram.org from TransLink's open South East Queensland GTFS feed.
All 27 G:link stations are shown in their real running order, Helensvale in the north to Burleigh Heads in the south.
The drawing is schematic: the spacing is even, not to scale, but the order of the stops is exact.
Data: TransLink (Queensland) open GTFS.
